FEATURES

1. **Durable, Lightweight aluminum frame** is substantially lighter than other steel carts.
2. **Smart Tilt:** Versatile Pan/Tilt tray provides precise one hand manipulation of monitor enabling surgeons easy glare-free viewing for both standing and seated positions
3. **Smart Door:** Lightweight perforated locking rear door allows unparalleled ventilation with maximum security. When open, it lifts off easily for enhanced serviceability.
4. **Smart Tanks:** Convenient, secure "E" tank storage holds two tanks. (not shown)
5. **Smart Drawer:** Spacious 5" tall locking storage drawer locks independently of front door.
6. **Smart Cord:** Power Cord wrap is conveniently located for easy access.
7. **Smart Power:** 8 conveniently located receptacles next to each shelf organize power cords and make connections easy.
8. **Smart Shelves:** Shelves are adjustable and velcro straps keep equipment secure and wiring neat and organized.
9. **Smart Button:** One touch, to control power to all equipment simultaneously.
10. **Smart Wheels:** 5 inch, easy to move, nonconductive, front locking castor wheels make transport easy.

OPTIONS

- A. **Flat Panel Long Arm:** 30 inch arm which can be installed on either the left or right side of a SmartKart. This arm supports touch screens and all VESA compliant video flat screen monitors.
- B. **Flat Panel Short Arm:** This arm allows the LCD monitor to be viewed from the front, side, and rear of the cart.
- C. **Isolation Transformer:** Ensures low leakage protection regardless of equipment used.
- D. **IV Pole:** Saves space by eliminating need for additional equipment.
- E. **Folding Side Shelf:** Provides additional surface space for extra equipment/storage. (not shown)
- F. **Keyboard+Mouse Shelf:** Easy to use with sufficient space for both a standard keyboard and a mouse. (see picture on other side)
- G. **Security Mounting Strap:** Provides extra protection against loss. (not shown)
- H. **Articulating CRT Arm:** Positions the CRT monitor for optimum viewing. (not shown)
