### FEATURES

- Durable, Lightweight aluminum frame** is substantially lighter and easier to roll than other steel carts.
- Flat Screen Monitor Arms:** Extends 26 inches - 13 inches of vertical travel. Either left, right, or both.
- Futuristic Space Saving Profile:** Upgrades your OR giving more room.
- Smart Doors:** Lightweight perforated locking rear door allows unparalleled ventilation with maximum security. When open, it lifts off easily for enhanced serviceability.
- Smart Panel:** Rear patch panel provides duplex power outlet as well as two BNC and one s-video mini-din bulk head connector for easy attachment of accessories or auxiliary video monitors / devices.
- Smart Tank:** Convenient, secure "E" tank storage for two tanks.
- Smart Drawers:** Spacious drawers lock independently and have separate inventory control tag hasps.
- Smart Cord:** Power Cord wrap is conveniently located for easy access.
- Smart Power:** 8 conveniently located receptacles next to shelves organize power cords and make connections easy. 2 convenience outlets on outside of cart.
- Smart Shelves:** Shelves very easily adjust vertically, velcro straps keep equipment secure and wiring neat and organized.
- Smart Button:** One touch, to control power to all equipment simultaneously.

### OPTIONS

- Flat Panel Short Arm:** This arm allows a second LCD monitor or a touch screen to be viewed from the front, side, and rear of the cart.
- Isolation Transformer:** Integral 1500 VA transformer ensures low leakage protection regardless of equipment used.
- Folding Side Shelf:** Provides additional surface space for extra equipment/storage. (not shown)
- Security Mounting Strap:** Provides extra protection against equipment loss. (not shown)
- Swivel + Tilt CRT Monitor Pan:** with security straps.
